

## Official German Tests and Certificates

We at inlingua Leipzig prepare you for your German tests and all certificates you will need for your studies and professional career. If you are not sure which test fits your needs, we are happy to find the right test for you. Taking a test at the end of your course is **optional but recommended**.

- Level A1 - C1
- C1 for universities and higher education institutions
- Costs for testing and certification included in your course

Find more information about TELC test on [www.telc.net](http://www.telc.net)

- **Only in Halle and Dessau**
- Level B2 - C1
- Designed for students and prospective students of German universities and higher education institutions
- Testing reading, writing, speaking and listening comprehension
- Costs for testing and certification included in your course
